Foreword

THIS IS THE ANNUAL

Its pages are clean
And filled with
Pictures of Men and Women
Of scenes and
Places cherished by many.

Not like history's pages
Which once more have been
Smeared
With the blood of Men and Women
And covered with the
Debris of
Civilization.

But now
Martian forces have released their grip
On the World
And
Men who fought, now study, laugh, and sing
With the
People who kept the
Spirit of Southern alive
In their hearts.

Here are those
Men and Women
With those they fought for
And what they fought to come back to
In pictures and words.

"IT HAS BEEN SAID A

Blushing

SKIN STAYS YOUNG and that a **BLUSHING SKIN** never wrinkles, and a wrinkled skin never Blushes."

How true this is, you can prove by trying Dermetics Blushing* Hydronized† Oils today. You will enjoy a most thrilling experience. As your skin responds, you will feel a tingling sensation, see a sustained increased flow of your own life giving blood. When you BLUSH, a temporary surge of blood flows into your skin tissue, cleansing, nourishing, repairing and beautifying your complexion. Truly a BEAUTY FROM WITHIN PROGRAM.

DERMETICS BLUSHING* OILS have been proved over a period of fifteen years by hundreds of thousands of women as a safe, sane, logical, sensible program for: sallow skin, dry skin, oily skin, white heads, black heads (Obstipated skin) enlarged pores, discolored skin, sagging and wrinkled skin.

Over thirty thousand Beauty Salon owners and operators use and recommend BLUSHING—all ages 11 to 99 need BLUSHING*. You can secure a trial flacon for \$1.25 (plus Federal Tax) from your Department Store or Beauty Salon.*

If your favorite store or Salon does not have Blushing*, it will be sent COD for \$1.25 (plus 20% tax). Write for the free booklet, "The True Story of Your Skin."

*I am the Spirit of Southern.
I am not the creation of
maudlin sentimentality. I am
the students, the campus, the
buildings, the faculty.*

*In companionship and associa-
tion am I conceived. My
being is in part the chimes,
the palm trees, the lake. In
me is the revelry of midnight
feasts, dances, serenades. I
am watchful during the night
of storm.*

*I incorporate the new with
the old—the changes with
the unchanging. I become
one with the freshmen. I
leave as an integral part of
each graduate. I am the Place
and the People.*

I am the Spirit of Southern.

IT'S YOUR FLORIDA

Nowhere is opportunity greater than it is in Florida which, in many ways, is in the pioneering stage . . . rich with promise as reward for hard work and earnest endeavor.

Florida's sound economy is about to gain new strength as it begins to make use of its great advantages of location, climate, transportation, markets and materials to build its Industrial Empire.

You who are ending your educational preparation for life have the opportunity to share in the industrial growth of Florida. The work may be difficult, discouragement and failure may threaten the outcome, but the goal is worthy of the fight for as Florida grows and prospers, so will you grow and prosper for It's Your Florida.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
